

CLASS ATTIRE

The Academy uniform is an integral part of the Nylia Ballet Academy experience. The uniform indicates that students are in a special learning environment and allows teachers to clearly see the student's body. This allows instructors to provide feedback on proper alignment and correct positions.

The Nylia Ballet Academy official uniform leotard is embroidered with the Nylia Ballet Academy logo on the left hip.

Female-identifying students must wear pink or skin tone ballet tights under their leotard and pink or skin tone ballet shoes. Male-identifying students must wear black ballet shoes.

Students must have their hair pulled back away from the face and secured nearly in a classical bun.
