OUR MISSION

At Nylia Ballet Academy, we want to create performing opportunities to dancers in order for them to gain self-confidence and independence, as well as foster in them a love and appreciation for the art of dance.

A major component of dance training is learning through performance. While performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The performing experience helps build self-esteem and self-confidence and can result in better in-school presentations, improved social skills, and strong interview skills for future college or job opportunities.

DANCERS CANNOT MISS MORE THAN TWO DAYS OF REHEARSALS

ALL STUDENTS MUST ARRIVE 30 MINUTES PRIOR TO THEIR
REHEARSAL TIMES TO ENSURE ADEQUATE TIME FOR WARM-UP

REHEARSAL SCHEDULE

- The rehearsal schedule will be sent 2 weeks in advance to all dancers.
- Rehearsal schedules, and all important information, will be posted on our GroupMe (page 7). This will include any changes to the schedule. Families are required to check this section and be aware of the schedule.

HOME STUDY

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their choreography on a regular basis. You can ask your instructor for a copy of their music for them to practice.

ABSENCES

- Any absence **MUST** be excused with a doctor's note or must be under special circumstances.
- Please be sure to send an email, message, or call before the absence.
- Students who miss more than **TWO** days of class will lose their place in the dance.

FULL-RUN THROUGHS

JANUARY 27 - 31

MANDATORY FULL RUN-THROUGHS WILL BE RUN DAILY THE
WEEK BEFORE THE PERFORMANCE, JANUARY 27 - 31 FROM
5:30 - 8:30 PM. YOUTH CAST WILL BE RELEASED AT 7 PM.

All students must participate in the full-run throughs and the dress rehearsal in order to be part of the performance. The dress rehearsal allows the students to become familiar with the dance floor surroundings and feel comfortable with their performance, costume, and being onstage. Lighting, music cues, props, and all other logistics for an organized and professional performance are rehearsed so that the students make the best impression possible.

Modifications to the choreography can be made at dress rehearsal. A student who misses the rehearsal will not have the chance to practice any of the changes onstage.

Confidence is critical to a successful performance. The dress rehearsal offers your child the chance to feel ready for the show!
